Lesson 19
"The Fall" - Part IV

5) The Man and the Woman _____ Themselves

6) The Man and the Woman _____ from _____

7) The Man and the Woman _____ to God

Key Truth: After the man and the woman eat the forbidden fruit their eyes are opened and out of shame they cover their nakedness. When Adam and Eve hear God coming to meet with them - out of fear - they hide.

God then calls to Adam and confronts him about his sin. Adam blames Eve for his actions and Eve blames the serpent for her actions.

Application: Resist the temptation to hide from God when you sin and instead turn to Him, confess your sin, and accept His mercy and forgiveness given to you through the sacrifice of Christ our righteous advocate!

Lesson 20
"The Curse" - Part I

1) God _____ the _____

Key Truth: God curses the serpent - the agent of Satan's deception - and it is brought low to the ground and made to be a detestable animal before mankind. God also curses Satan - and makes him and his offspring enemies to the woman and her offspring.

God then gives a promise that even though Satan will "strike" at Jesus' heel by influencing the Jewish people to crucify Him - Jesus will ultimately "crush" Satan's head when He rises from the grave!

Application: Take time this week to thank God and marvel in His love for you!
