Two Kinds of Sorrow

- a) _____ sorrow - feeling sorrow because I have offended God by my sin.
This sorrow leads to repentance.
- b) _____ sorrow - feeling sorrow over the painful and unwelcome
consequences of my sin. Self is its central point.

7) God Shows Cain _____ (Gen. 4:15)

Key Truth: Out of jealousy and rage Cain murders his brother Abel. God questions Cain about his brother's whereabouts but Cain pretends not to know. God then alerts Cain that He knows about Abel's murder and God curses Cain by making it so that he can never farm again and God sends Cain away from His presence to be a wanderer on the earth.

Cain complains about his punishment and tells God that he fears that someone will seek vengeance for Abel's murder and try to kill him as he wanders the earth. As an act of mercy toward Cain God puts a mark on him so that he will not be killed.

Application: Take time this week to thank and praise God for His love and mercy towards you. Also take time to thank God for His Son - Jesus Christ - whose death on the cross and resurrection from the dead make it possible for anyone to be saved from their sin and experience eternal life!
